## About Adelaide Free Bikes

Adelaide Free Bikes is a FREE bike hire scheme available to everyone every day. Operating since 2005, it's one part of the City of Adelaide Smart Move strategy to create a more connected and user-friendly City.

## What happens if you get a mechanical failure?

- To hire an Adelaide Free Bike you need to bring either a valid driver's licence, a passport or Australian proof of age card. Your ID will be held as a deposit for the duration of the hire and will be given back to you when you return your Adelaide Free Bike to the point of hire.
- If you are part of a group wanting to hire multiple bikes, each member of the group must provide the necessary identification.
- Please note that you must return the bike to the same location from which it is borrowed.
- Children can only make use of the bike hire when accompanied by an adult with a valid ID.

## How do I hire an Adelaide Free Bike?

## A few things you should know to have an enjoyable bike ride:

- Bikes can only be used during daylight hours and operational hours of the hire locations.
- It is a requirement of the law to ride with a helmet and these are available free of charge at your point of hire.
- Additionally, each bike will be supplied with a bike lock, if required.
- Bike riders must obey the same rules as motor vehicle drivers. For all rules specific to bike riders please ask for the brochure Cycling and the Law at your point of hire, or visit [www.sa.gov.au/cycling](http://www.sa.gov.au/cycling)
- To keep the Adelaide Free Bikes in good condition, please do not ride the bike up or down kerbs, skid, ride on sand, or perform any stunts and tricks.
- A \$25 overnight hire charge applies to bikes not returned by close of business. If you are interested in multi-day bike hire please call 8168 9999 or visit [www.bikesa.asn.au/multi-daybikehire](http://www.bikesa.asn.au/multi-daybikehire) for more information.
