

Make the most of your Seniors Card

The Seniors Card was introduced by the South Australian Government and private enterprise in 1993 to acknowledge and show appreciation to seniors for the contribution they have made to their communities in South Australia.

The Seniors Card program provides members with a range of benefits including public transport concessions and access to specially discounted goods and services around South Australia.

The Seniors Card Discount Directory, *Your Lifestyle Guide* is updated annually and lists hundreds of business partners that offer discounts and benefits to Seniors Card members and will be posted to you along with your new card.

WeekendPlus is a lifestyle-focussed digital magazine for over 60's that delivers discounts, special offers, news, events and competitions straight to your inbox each fortnight. Make sure to include an email address in your application or subscribe by emailing seniorscard@sa.gov.au.

We are constantly seeking ways to provide you with a better and wider range of benefits throughout the year. We may send you information about the latest special offers available to members that are additional to those listed in the annual Seniors Card Discount Directory, *Your Lifestyle Guide*.

The Seniors Card is a lifetime card and will not be reissued unless it is lost, stolen, broken or if you change your name. If you require a new card, use Seniors Card member online services (available at the Seniors Card website) or contact the Seniors Card Unit.

The Seniors Card is for personal use and is not transferable to other people including family members, friends or colleagues.

What if my circumstances change?

Your Seniors Card remains valid provided the eligibility criteria continue to be met. Should your circumstances change, please notify the Seniors Card Unit as soon as possible.
